## Function and Facility Hire Package

Warragul Regional College is set on fifty acres of landscaped gardens in the middle of Warragul's sporting precinct,

The "School on the Hill" has been providing secondary education to the Warragul community since 1911, making it one of Australia's oldest secondary schools.

Through the amalgamation of Warragul High School and Warragul Technical School a new entity was born in 1994, Warragul Regional College, catering for both academic and vocational pathways.

Since 1994 the College has undergone three major facility upgrades, ensuring that students have access to a modern learning environment. These facilities are available for hire by clubs and individuals for functions or regularly bookings.

This includes a flexible learning centre which is fully equipped with multi-media facilities, a drama/board room, a conference room, a hall with tables, a football and cricket oval with bathroom facilities and an all grounds/hall combination.

For more information and to book please contact Sarah Kent at Warragul Regional College on 5623 9900.
