

Yard Duty and Supervision Policy

PURPOSE

The purpose of this policy is to explain to staff Warragul Regional College's yard duty procedures and expectations for the appropriate supervision of secondary students. Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

OBJECTIVE

To ensure that school staff understand their supervision and yard duty responsibilities.

SCOPE

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps.

This policy applies to all teaching and non-teaching staff at Warragul Regional College, including education support staff, casual relief teachers and visiting teachers.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places.

POLICY

Before and After School

Warragul Regional College's grounds are supervised by school staff from 8.15am in the bus bay until 8.55am. After school the bus bay is supervised from 3.15pm until 4pm. Outside of these hours, school staff will not be available to supervise students.

Students who may wish to attend school outside of these hours are encouraged to attend the library between 8.15am and the start of the school day and 3.15pm until 4pm. If students are engaging in extra-curricular activities, they are to report to the teacher in charge.

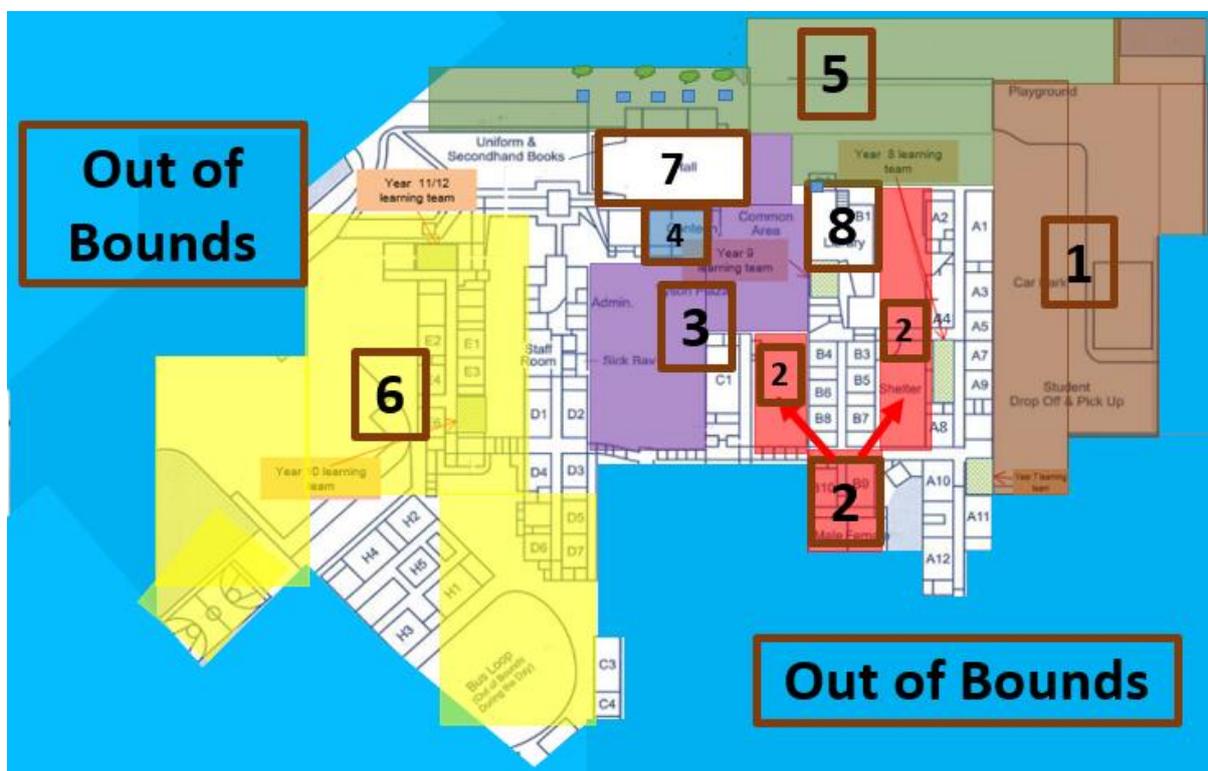

Yard Duty

All staff at Warragul Regional College are expected to assist with yard duty supervision and will be included in the weekly roster.

The Daily Organiser is responsible for preparing and communicating the yard duty roster on a regular basis. At Warragul Regional College, school staff will be designated a specific yard duty area to supervise.

The designated yard duty areas for our school as at Term 2 2021 are:

- Area 1** Basketball Court, Year 7/8 Oval, Playground, Hard Area – Rebound Wall, Space between Library and A-wing
- Area 2** Green Room, Toilets, Grass Area between B-C wings (Green Room), Area between Library and A-wing
- Area 3** Tyson Plaza
- Area 4** Canteen
- Area 5** Seating beside Hall to first tree line and Year 8/9 Oval, Hard Area – Rebound wall and basketball rings
- Area 6** Bus Loop (student may use first bus shelter only and seat at music room), Senior School area – E-Wing
- Area 7** Hall
- Area 8** Library

School staff must wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored at each year level and the front office.

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving teacher.

During yard duty, supervising school staff must:

- methodically move around the designated zone
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy

- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass
- if being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising teacher is unable to conduct yard duty at the designated time, they should contact the Daily Organiser with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising teacher needs to leave yard duty during the allocated time, they should contact the Daily Organiser but should not leave the designated area until the relieving teacher has arrived in the designated area.

If the next duty teacher does not arrive for yard duty, the teacher currently on duty is to alert the front office and not leave the designated area until a relieving teacher has arrived. Should students require assistance during recess or lunchtime, they are encouraged to speak to the supervising yard duty teacher.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

Students who leave the classroom must only do so with a classroom pass from the teacher. If a teacher needs to leave the classroom unattended at any time during a lesson, he or she should first contact the year level office closest to their location for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School Activities, Camps and Excursions

The Principal and Leadership Team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved.
