This qualification reflects the role of workers in a range of early childhood education settings who work within the requirements of the Education and Care Services National Regulations and the National Quality Standard. These workers support the implementation of an approved learning framework, and support children's wellbeing, learning and development. The course combines face-to-face and flexible practical classes with work placement to build student confidence and skills in working with children. Students will also learn how to provide children with a safe and healthy environment and learn to provide for their individual needs whilst equipping students for a career in the Early Childhood sector. Please note there is an additional five core units to be completed to gain the full qualification
