Year 10 students study English and Maths for the year and PE/Health for a semester.
Students must select at least one Science elective and at least one Humanities, Art and Technology unit across Year 9 & 10. The remainder of the Year 10 program can come from the range of Year 10 electives, VCE Units (with approval) and/or VET.
Please read the Year 9/10 Handbook for details on each unit.

*Students who are looking for the VCE-VM pathway for their studies in Year 11 2025 are encouraged to begin a VET sequence in Year 10. **Note: School attendance of 85% or above is required to access VET courses.***

Year 10 Program

Electives and Backups must be listed in order of preference. You must select four Backups. Every effort will be made to give students their preferences. Programs will be checked to ensure that students have selected at least one unit of Science and one unit of Humanities for Year 10 and at least 1 unit of Arts and Technology across Year 9 and 10. VET & Early Access VCE units count as TWO electives.
