**Year 11 VCE Program**

**VCE Year 11 Students:** All students must study two units from the English Group (English or Literature) It is highly recommended that all Year 11 students study Mathematics for the year as it is a prerequisite for many tertiary studies. Students select an additional 3 units per semester which may include a Unit 3/4 sequence or VET.

Please write in your elective choices. VET and Early Access to Units 3/4 count as one subject.

All students need to record VCE course preferences, even if enrolling in the Vocational Major. Preference data can be used if unable to enrol in Vocational Major.
