

MUSIC – SOUNDS GOOD

Your sound- your future

Love music? Want to turn your passion into a career?

Whether you're into performing, producing beats, writing songs, working behind the scenes or just want to learn how to play an instrument - this upcoming course is your backstage pass to the industry.

This course gives you the chance to learn the basics of music performance and composition, sound production techniques and the business side of music.

This course will help you gain skills to be a Studio Assistant, Entry-Level Performer, Music Retail Assistant, Stagehand, Road crew and Live Sound Tech.

Train with industry pros and learn in a creative environment.

Want to be the first to know when enrolments open?

Please register your expression of interest with your school VDSS Coordinator for 2026 start.
